

Voluntary contributions are welcome

Heart Children is the national organisation providing support to people born with Congenital Heart Disease (CHD) and their families. Heart Children works to help people with CHD of all ages to stay well, live confidently and enjoy life to its fullest.

Heart Children works closely with the Children's Heart Centre, CHI Crumlin, the Adult CHD Unit, Mater Hospital, Dublin and the Consultant Paediatricians with Expertise in Cardiology (PECs) working from Cork University Hospital, University Hospital Limerick and Galway University Hospital.

Please use the Revolut QR code or link below to make any contributions, thank you
